New Sleepers on the Alton.

Beginning with April 1st, the Chicago & Alton railroad will run two sleepers daily in their 'S'. Louis Limited' between Kan-as City and S'. Louis. The two new sleeping cars assigned to this service are named the 'Majestic' and 'Teutonic' after the two new White Star line Atlantic ocean steamers. Each year brings something new in the sarbuilder's art and with each improvement we exclaim that surely nothing more can be added. Viewing the new Alton sleepers, with their large foomy compartments, drawing rooms, and perfectly expointed toilet rooms, one would the builder possessed the lame of Alladh.

Prices closed 10c per 100 pounds higher for good beeves than a week ago, but common lots closed 15920c lower. The week's cattle receipts were 10,000 head less than last week, and 12,000 less than for the corresponding week last year. For common to choice native dressed beef and shipping steers weighing 900 to 1,600 pounds, prices ranged at 33,6096,09, but very few are choice enough to bring 55.80, and sales are largely at 34.25 fo.55.0. Stockers and feeders are selling more freely at somewhat stronger prices, sales being mostly at \$2.4093.85. Texas cattle receipts this week are about 15,500 head, against 9,500 last week and 5,000 the corresponding week last year. At the short decline that has taken place in these cattle this week there is a fair demand at \$2.8063.50 for grass steers, with fed steers selling at \$4.9064.50.
